

## **ST. ALBERT POLICING COMMITTEE 2026/27 WORK PLAN**

The St. Albert Policing Committee was established by City Council in 2017 and began operations in January 2018. The initial purpose of the Committee was to maintain a proper balance between the independence and authority of the RCMP and accountability to the community and civilian authority through community input, increased transparency regarding policing operations, removal of political interference perceptions, and assistance with dealing with local complaints.

Since then, there have been several updates to the mandate through:

- St Albert Policing Committee Bylaw 28/2017
