PGA Architect's Ltd. Corporate Profile

PGA Architect's Ltd. was established in 1989 to provide design services to clients in the public and private sector. For more than 20 years our team has been designing projects throughout Alberta.

Over the last 30+ years we have been involved extensively with the design of Senior's Housing Facilities – seniors' apartments, lodges, assisted living, dementia facilities and nursing homes. The principals have designed and seen completed a total of 1,390 rooms, with schematic layouts prepared for a further 650 rooms. Our design experience with seniors' housing needs is current and compatible with the most recent standards of care.

Chris Laing, MRAIC, CAPS, Principal Architect is a certified Age-in-Place Specialist (CAPS).

Sincerely,
PGA Architects

Christopher Laing, MRAIC
