## Standards

1. The primary obligation of Council members is to represent the best interests of the community of St. Albert. This accountability supersedes all other interests.
2. Where Council members are appointed as members of committees or boards, they serve in a liaison role, but not necessarily as an advocate for the committee or board.
3. Council members' attendance at meetings or official events required by bylaw, policy, procedure, committee terms of reference, or Council resolution shall be recorded and reported quarterly by the City Manager on the City's website.
4. Council members must avoid conflicts of interest.
  - a. There shall be no self-dealing or any conduct of private business or personal services between any Council member and the corporation except as provided by the *Municipal Government Act* (MGA).

  - c. Council members will disclose their affiliations or interests with an organization that may affect their decision making on matters before Council regarding that organization.

5. Council members are ineligible to apply or be considered for any position with the City of St. Albert while they hold their elected position and for one year after leaving office.
6. Council members will not attempt to exercise individual authority over the corporation.
  - a. Council members' interaction with the City Manager or with City staff must recognize the lack of authority vested in individuals except when explicitly Council-authorized.
  - b. Council members' interaction with the public, media, or other entities must recognize the inability of any Council member to speak for the Council except to repeat explicitly stated Council decisions, unless expressing personal opinion(s).

8. Council shall hold Council Self-Evaluation Sessions every twelve months. Council Self-Evaluation Sessions may include reviews of Council's working relationships and whether the working relationship is, or has been, inconsistent with Council's Values, approved plans, goals and objectives, Code of Conduct, or any other City policy or bylaw.
9. Council members shall not use electronic devices to communicate by such means as e-mail, text or social media during a Council meeting, except to communicate with members of Administration in order to facilitate the efficiency of proceedings of the Council meeting, or to respond to family members or emergencies.
