Everett Cooke  
Director, Emergency Services / Fire Chief  
St. Albert, AB

Dear Mr. Cooke,

Please find attached the quarterly Community Policing Report covering the period from January 1<sup>st</sup> to March 31<sup>th</sup>, 2025. This report provides a snapshot of human resources, financial data, and crime statistics for the St. Albert RCMP Detachment.

As we approach summer, I would like to highlight the preparations that the Alberta RCMP have made to address what may be another busy wildfire season. The wildfire seasons of 2023 and 2024 have provided our organization with many lessons on the best ways to handle the unpredictability of wildfires. In March, we began planning for the 2025 wildfire season and this included the early staffing of our Division Emergency Operations Center (DEOC). In the past two years, DEOC has been the cornerstone of the police response to the wildfires in Alberta. The members and staff in DEOC are able to process information from various sources to determine the most optimal way to deploy police resources in areas under threat of wildfires.

Depending on the severity of the fire season, it may be necessary to draw resources from your police service to ensure the safety of people and property in affected communities. I want to assure you that the Alberta RCMP will keep the needs of your community in mind and will work to deploy only the resources which will not adversely impact the security of our own community. The Alberta RCMP remains ready to respond to wildfires in coordination with other provincial resources to protect our citizens and communities.

Thank you for your ongoing support and engagement. As your Chief of Police for your community, please do not hesitate to contact me with any questions or concerns.

Best regards,

S/Sgt. Dwayne Moore  
Chief of Police

### Community Priorities

**Priority #1: Crime Reduction****Updates and Comments:**

The Crime Reduction Unit worked with local businesses in an attempt to curb retail theft by completing shoplifting blitzes. Members assisted the Loss Prevention Officer by arresting four individuals (11 Criminal Code charges) for theft under \$5000, and recovering hundreds of dollars of stolen property.

The Crime Reduction Unit also observed an increase in the amount of motor vehicle thefts. The Crime Reduction Unit worked with K Division Auto Theft to acquire an asset to assist in identifying those engaged in the theft of motor vehicles. Two individuals took possession of the RCMP asset and were arrested (six Criminal Code charges). One individual was found to have 12 outstanding warrants.

St. Albert RCMP conducted a project targeting those who obtain sexual services for consideration. Over the course of one evening, RCMP arrested eight individuals for attempting to obtain sexual services for consideration and charges are pending. 44 compliance checks were completed on Habitual Offender Management offenders with police enforceable conditions. One offender was arrested during this period for breaching a no contact condition.

**Priority #2: Mental Health and Vulnerable Communities****Updates and Comments:**

Crime Prevention / Victim Services focused on patrolling schools, school zones and local youth hangouts, including central McDonald's (high volume of youth calls) within St. Albert. To proactively educate the community, Crime Prevention / Victim Services members delivered several presentations to

community organizations, parents, and seniors, regarding Frauds, Scams, & Online Safety/Sextortion, to help reduce future incidents. St. Albert youth also received numerous sessions of "Social Skills" which involved education around making healthy choices regarding Drugs/Alcohol and Vaping. Numerous presentations at schools were completed including drug awareness (18 sessions) and unplugged presentation regarding youth screen/device addiction/usage. Members also organized the polar plunge for first responders and participated in the bikeathon at Bellerose Highschool.

### **Priority #3: Domestic Violence and Assaults**

#### **Updates and Comments:**

Jessie's House is a Domestic Violence shelter that provides supports for those in need in the St. Albert and surrounding area. Members were provided with information on the services provided by Jessie's House and how referrals can be made. This information is invaluable when members are speaking with victims of domestic abuse to ensure they have a better understanding of what a Domestic Violence shelter is and the services that are available to them. Plans are being put in place to organize an information/education session and panel in relation to Human Trafficking. The RCMP Domestic Violence Unit provided education sessions on the process to obtain Emergency Protection Orders (EPO) as well.
