Council Policy C-CS-03 Community Recognition Program

BACKGROUND:

As per Policy C-CS-03, Community Recognition Program, Administration advertised and accepted nominations for this program until February 15, 2022. Two nominations were submitted.

The Community Services Advisory Committee (CSAC), and the Environmental Advisory Committee reviewed the applications relevant to their Committees as outlined in Policy C-CS-03 Community Recognition Program. The recommendations are being provided as part of the confidential attachment.

If approved by Council, recipients will be recognized publicly at the start of a future Council meeting. The names of the recipients will be added to the permanent recognition sculpture located at the northwest corner of Sir Winston Churchill Avenue and Perron Street. As gathering restrictions prevented the 2020 recipients from being recognized, they will be included in activities planned for 2022.
