

MULTI-YEAR PROGRAM AND SERVICE REVIEW WORKPLAN

Presented: May 5, 2026

REVIEW	DESCRIPTION	TIMING (2026-2029)			
Corporate Reporting Framework Review	Review the purpose and frequency of the Corporate Wide reporting processes to determine required improvements.	█			
Policing Services Review	Conduct a review of policing services in St. Albert, focusing on community needs, policing models including structure, opportunities for sub-regional or regional collaboration and preparedness to meet potential future policing service delivery models.	█			
Bylaw, Policy and Administrative Directives Review	Review current bylaws, policies, and Administrative directives to streamline governance, reduce redundancy, and align with best practices and the MGA.		█		
Service Experience Delivery Model Review	Assess and recommend options for a service delivery model that guides how services will be provided in the future based on community needs and City resource availability.		█
