Aaron Giesbrecht
Acting Director, Emergency Services
St. Albert, AB

Dear Mr. Giesbrecht,

Please find attached the quarterly Community Policing Report covering the period from July 1st to September 30th, 2025. This report provides a snapshot of human resources, financial data, and crime statistics for the St. Albert RCMP Detachment.

In the past few months, Alberta RCMP has observed significant changes to our senior management team that I want to highlight in this quarter's update. In addition to our new Commanding Officer, Deputy Commissioner Trevor Daroux, we are pleased to welcome a new Criminal Operations Officer, Assistant Commissioner Wayne Nichols. Since entering his new role, the Commanding Officer and other members of the senior management team have been taking time to meet with community and elected officials throughout the province. The team is also looking forward to meeting with representatives from several communities during the upcoming meetings at Alberta Municipalities and Rural Municipalities of Alberta convention this November.

Deputy Commissioner Daroux is focused on prioritizing meeting opportunities between the senior management team and all communities that we serve. These meetings serve as an opportunity to further strengthen our relationship and allow us the chance to listen to the needs and concerns of our communities. If you are interested in meeting with our senior management team, please do not hesitate to reach out so that we can coordinate a time that is convenient for you.

Thank you for your ongoing support and engagement. As your Chief of Police for your community, please do not hesitate to contact me with any other questions or concerns.

Best regards,

S/Sgt. Dwayne McIore
Chief of Police

Community Priorities

Priority #1: Crime Reduction**Updates and Comments:**

St. Albert CRU manages the Habitual Offender Management (HOM) files. 17 persons are currently being monitored, with those having various degrees of conditions. Curfew checks are completed on a random basis with greater focus on those who are prolific offenders. CRU worked with the Community Response Team and local retail store loss preventions teams, to conduct a shoplifting blitz at 7 store locations over a period of 3 days. Working with the store managers, and at their discretion, some persons were removed from the store and 4 prolific offenders were arrested and charged. 2 of these were on a number of outstanding warrants. Recent thefts of construction equipment and property from St. Albert led to an investigation and recovery of \$130,000 worth of stolen property. In collaboration with the RCMP Auto Theft Unit and Parkland RCMP, St. Albert CRU conducted two search warrants that resulted in an arrest of an individual and the recovered goods from St. Albert and Stony Plain.

Priority #2: Mental Health and Vulnerable Communities**Updates and Comments:**

CPVS members attended multiple events with the schools such as the back to school barbeques and Orange Shirt Reconciliation Day event. CPVS also attended the Canada Day celebrations and Community Anti-Hate Crime event. Elderly Care home visits have been increased with CPVS members attending to answer resident questions. 2 Seniors fraud presentations, 10 Farmers Market and block party patrols were achieved. Partnerships have been established this year with the St. Albert Chamber of Commerce concerning safety and theft deterrent at the St. Albert Farmer's market. Additionally, regular foot patrols have been conducted at the St. Albert Farmer's Market to reduce theft. CPVS

members attended the Weekly Summer Bike Camp to speak about bicycle safety. CPVS community charity partnership events included Tim Horton's camp day, McDonald's McHappy Day, Dairy Queen Miracle Day, and Salvation Army Touch a Truck day.

Priority #3: Domestic Violence and Assaults

Updates and Comments:

The Domestic Violence (DV) coordinator attended the Domestic Violence Committee Meeting. The DV coordinator completed the final planning for the Exploitation and Human Trafficking Workshop that is scheduled to take place in October.

There is now a Central Shelter Intake through 211 that can provide resources on which shelters are available and this information has been provided to all front line members at the St. Albert RCMP Detachment.

The DV coordinator attended Case Management meeting with VSU where they discussed high risk clients and any further resources that maybe needed.

Priority #4: Traffic

Updates and Comments:

The St. Albert Traffic Unit is fully staffed and efforts are being made to streamline certain administrative processes so members can be more visible in the community. During the summer months, when there were no students in school, the traffic unit made a concentrated effort to be more visible in construction zones, playground zones, residential areas, and areas with high traffic volume. Enhanced Traffic shifts continue and have been very successful with very positive feedback from the public. The traffic unit also conducted a number of Checkstops including Joint Forces Operations (JFO) with our partner agencies (St. Albert CPO, Edmonton Police Service, and Alberta Sheriffs). With the return of school in September, patrols have increased in school zones. The traffic unit continues to adjust the priorities based on feedback from the public.
