

## CITY OF ST. ALBERT ADMINISTRATIVE BACKGROUNDER

---

### **TITLE: SOCCER ASSOCIATION MEMORANDUM OF UNDERSTANDING**

---

On November 7, 2016 Councillor Brodhead provided notice in accordance with Section 23 of Procedure Bylaw 35/2009 that he intended to bring forward the following motion:

*In order for Council to debate the motion, the motion must be formally moved.*

### **PROPOSED MOTION(S):**

That the City of St. Albert enter into an MOU with the City of Edmonton and the St. Albert Soccer Association to explore the feasibility of partnering on the development of a regional field house/Sportplex by end of Q1 2017.

### **BACKGROUND:**

It is Administration's understanding that the intent of this motion is to work with the City of Edmonton (CoE) and the St. Albert Soccer Association (SASA) on a Memorandum of Understanding (MOU) to explore the feasibility of partnering on the development of a regional field house/Sportplex.

Upon clarification during the November 21, 2016 Council meeting, it was determined that it was the intent to have this MOU be supported at a Council-level (Elected Official) and not just at an Administrative-level. Upon approval of this proposed motion, Administration will work with CoE and SASA on an MOU for presentation for Council by the end of Q1 2017.
