Purpose

To provide a source of funds for eligible capital projects to be undertaken by eligible not-for-profit community groups that provide broad and inclusive recreational, cultural or social services with the City of St. Albert.

Policy

The City may offer financial assistance on a matching-grant basis for eligible St. Albert not-for-profit community groups that submit applications for eligible capital projects.

Applications are reviewed by the Community Services Advisory Board and recommended to Council for approval. The annual application deadline date will be set for early March each year, with a Council decision to award funding by May 31. In the event that there are unallocated funds remaining after the Council review in May, additional grant applications will be reviewed on a continuously basis by the Community Services Advisory Board until the current year grant funding is depleted.
