

CITY OF ST. ALBERT ADMINISTRATIVE BACKGROUNDER

TITLE: FOODBANK BUILDING

On August 14, 2017 Councilor Heron provided notice in accordance with Section 23 of Procedure Bylaw 22/2016 that she intended to bring forward the proposed motion below.

In order for Council to debate the motion, the motion must be formally moved.

PROPOSED MOTION(S):

That the City owned land in Campbell Park (65 Carlton Drive) be considered for use in a stand alone new Foodbank building on a combination of the Foodbank and some other future facility.

BACKGROUND:

Administration will consider 65 Carleton Drive as an option when determining a new location for the Food Bank. Consultation would be required with Food Bank administration regarding specific building needs including storage and office space requirements. Additionally, logistical items such as screened parking, accessibility and availability of public transit will be taken into consideration.

It may also benefit to review shared space opportunities with other social support services, new community amenities or civic departments to potentially minimize construction and future operating costs.
