TITLE: PUBLIC ART PIECE – DIVERSITY & INCLUSION

On June 12, 2017 Councillor Osborne provided notice in accordance with Section 23 of Procedure Bylaw 22/2016 that he intended to bring forward the proposed motion below.

In order for Council to debate the motion, the motion must be formally moved.

That Administration explore options with the Public Art Committee and appropriate stakeholders regarding the possible commissioning of a public art piece with a theme of diversity and inclusion and report back to Council by Q1 2018.

BACKGROUND:

The Public Art Advisory Committee provides recommendations regarding new artworks to be added to the City's Collection, as per Council Policy C-CS-04. Administration has included the possible commissioning of a public art piece with a theme of diversity and inclusion on the agenda for the Public Art Advisory's consideration at their September 27th, 2017 meeting. It is anticipated from that meeting a recommendation may come forward to Council with Administration's proposed public art projects for 2018, along with a request to withdraw funds from the Public Art Reserve in Q4, 2017.
