

An aerial photograph of a residential neighborhood. The map shows several streets: Edgewater Terrace N on the left, Executive Way N at the bottom, Range Road 253 running horizontally across the middle, Eastgate Way North below it, Coal Mine Road on the right, and Eastgate Way on the far right. A red star is placed at the intersection of Range Road 253 and Eastgate Way North, with a black arrow pointing towards it from the right. A dashed red line runs along the top and right side of the map, separating a residential area from a larger, less developed area. The houses are mostly two-story with dark roofs. There are some trees and open spaces scattered throughout the neighborhood.
