Extract from Part 1, Section 1.6 Definitions of Land Use Bylaw 9/2005 to illustrate insert of new definition for “conversion therapy”, and text amendment of ‘health service’.

(Page 8)

- **"community hall"** means a development that provides auditorium, banquet, exhibition, gymnasium, meeting or seminar facilities but does not include a bingo hall that operates for more than 3 days in a calendar year, an adult entertainment facility or a casino;

- **"compliance certificate"** means a document that may be issued by the Development Officer indicating that a building, as shown on documentation provided to the City, is located in accordance with the building setback requirements in this Bylaw at the time the certificate is issued or in compliance with the yard or building setbacks specified in any development permit which may have been issued;

- **"comprehensively planned neighbourhoods"** means an overall conceptual site development plan for the area. The overall conceptual site development plan, considered to be non-binding, must identify the proposed building types and locations, development phasing, parks, amenity areas, and vehicular and pedestrian routes; **(BL2/2018)**

- **"construction service"** means a development used to provide landscaping, electrical, plumbing, heating, painting, woodworking or similar contractor services to households or to general contractors, but does not include equipment rental;

- **"convenience store"** means a development for the retail sale of a variety of small goods required on a day-to-day basis by people living or working near the store. Typical uses include small food stores, milk stores, and variety stores that sell confectioneries, foodstuffs, newspapers, magazines, non-alcoholic beverages and similar items;

- **"conversion therapy"** means a service offering or providing counselling or behaviour modification techniques, administration or prescription of medication, or any other purported treatment, service, or thing for the purpose of changing a person's sexual orientation, gender identity, gender expression, or gender preference, or eliminating or reducing sexual attraction or sexual behaviour between persons of the same sex, but excludes

- a. services that provide acceptance, support, or understanding of a person or that facilitate a person's coping, social support, or identity exploration or development,

or

- b. gender-affirming surgery or any service related to gender-affirming surgery.'

- **"corner lot"** means a lot located at the intersection of two or more public roadways, with the exception of the intersection of a street and a rear lane; **(BL13/2006)**

AND

(Page 14)

- **"health service"** means a development used for the provision of physical and mental out-patient health care and social or counseling services, **but not including conversion therapy**. Services may be of a preventative, diagnostic, treatment, therapeutic, rehabilitative, or counseling nature. Typical uses include medical and dental offices, health and physiotherapy clinics, and counseling services. In the Integrated Care Community (ICC) Land Use District only, pharmacies may be considered as a health service;' **(BL29/2006)**
