

Council Member Monthly Report on Committees & Development

Councillor Name	Mayor Cathy heron
Month	November - December
Year	2019
Submitted	

Committee/Learning Name	BRIEF OVERVIEW:
EPR Governance Committee	We reviewed the final draft report and suggested some small changes. Once this report has been turned over the ministry of environment it will be made public
EMRB Strategic Planning	This meeting was not public
Alberta Recycling Board meeting (Nov. 26) and Strategic Planing (Nov 27)	Board meeting was typical business. Of note was a debate over the proposed reduction of the municipal grants. St. Albert does receive some money through this grant. Community groups can apply and getting funding towards playground builds. Because the fee for new tires especially the medium sized ones has not increased in years the fund is running low and heading towards a deficit. We have reduced the fund from \$1 million - \$800,00 (\$600,000 was proposed by staff). I can speak further to this is needed At the strategic planning we came up with a new vision and mission statement. I am excited to share with you when it is all finalized. This continues to be a great board that I love sitting on.
AUMA Executive committee and Human Resources Committee	No much to report outside of the weekly digest. We are planning a Presidents Symposium on January 22 nd as an attempt t get out ahead of the spring provincial budget.

AUMA Municipal Governance Committee	Excellent guest speakers from municipal affairs talking about future changes to the MGA and Local Government Elections Act
Shared Investment for Shared Benefit	We had a presentation on potential models for our future framework

2019 Council Report on Committees/Development DVV
