This application is intended to facilitate residential development in the North Ridge Phase II neighbourhood in accordance with the North Ridge Area Structure Plan.

The proposed redistricting is consistent with the Municipal Development Plan Bylaw 15/2007 as consolidated, which designates the land as Residential. The proposed redistricting is consistent with the North Ridge Area Structure Plan Bylaw 4/2012, as amended.

The proposed is to redistrict:

- 1.69 hectares± (4.18 acres±) from Urban Reserve (UR) District to Residential (RX) District, and
- 0.39 hectares± (0.96 acres±) from Urban Reserve (UR) District to Residential Lane (RXL) District, and
- 0.42 hectares± (1.04 acres±) from Urban Reserve (UR) District to Medium Density Residential (R3A) District, and
- 2.18 hectares± (5.39 acres±) from Urban Reserve (UR) District to Public Park (P) District.

Please refer to the attached location map (Figure 1) and redistricting map (Figure 2).

The North Ridge Area Structure Plan was amended on June 15, 2020 with the subject lands being designated for low density and medium density residential uses, as well as a stormwater management facility. The Residential (RX) and Residential Lane (RXL) Districts are both considered low density residential districts. The Medium Density Residential (R3A) District is considered a medium density residential district. The Public Park (P) District is used for stormwater management facilities.

An example of permitted uses in the Residential (RX) and Residential Lane (RXL) Districts includes single-detached homes, duplexes, semi-detached homes, and townhousing. An example of permitted uses in the Medium Density Residential (R3A) District includes townhousing. An example of permitted uses in the Public Park (P) District includes a park.

The legal description and address of the lands to be redistricted is:
