**Time Extension Request - Business Case for Recommended Future Operating Model - Delivering Utility Services**

Presented by: Kevin Scoble, Chief Administrative Officer

**RECOMMENDATION(S)**

That the deadline extension for the following item be approved:

Time Extension Request - Business Case for Recommended Future Operating Model - Delivering Utility Services be extended from March 4, 2019 to the April 1, 2019 City Council meeting.

**PURPOSE OF REPORT**

The following motion was approved on May 22, 2018:

(CM-18-031)

That Administration investigate the feasibility of delivering utility services including water distribution, wastewater collection, new wastewater treatment opportunities, solid waste collections and life cycle management and associated ancillary operation opportunities, such as heat and electricity generation and distribution, through a City of St. Albert owned municipal utility corporation and up to \$100,000 be funded from the Stabilization Reserve.

That Administration provide recommendations to Council in a comprehensive business case for the recommended future operating model for the services described by March 4, 2019.
