COUNCIL DIRECTION

On February 27, 2017 Council passed the following motions:

PH-17-003

That Bylaw 12/2017, as Amendment 1 to Bylaw 1/2004, be read the first time.

That the public hearing be adjourned to March 20, 2017.

BACKGROUND AND DISCUSSION

On February 27, 2017 Administration presented a report to Council outlining the proposed amendments to Bylaw 1/2004 and their corresponding rationale. This report, entitled "Agenda Report - Smoking Bylaw - February 27, 2017" and its attachments have been attached to this Agenda Report for reference.

Councillor MacKay provided two Notices of Motion on February 27, 2017 related to Bylaw 12/2017. Consideration of these motions is scheduled to occur earlier in the same meeting as this Agenda item. If Council passes either or both motions to amend Bylaw 12/2017, Administration recommends the following:

1. That the Public Hearing be reopened.
2. That the Public Hearing be closed.
3. That Bylaw 12/2017, as amended be read a second time.
4. That Bylaw 12/2017 be brought back for consideration or third reading on April 17, 2017.

STAKEHOLDER COMMUNICATIONS OR ENGAGEMENT

As noted previously, staff have reviewed the comparator bylaws to ascertain any trends or best practices that may exist within the province.

IMPLICATIONS OF RECOMMENDATION(S)

Financial: The current fine for a violation of the Bylaw is \$250.00. Upon conviction, the court may substitute such penalties as its deems appropriate. There are no changes being proposed to these provisions.

Legal / Risk: None of note at this time.

Program or Service: None of note at this time.

Organizational: Though changes to the Bylaw may result in an increased expectation to enforce, thereby requiring allocation of staff resources, a public information campaign aimed at achieving compliance may proceed any enforcement initiative.

ALTERNATIVES AND IMPLICATIONS CONSIDERED

If Council does not wish to support the recommendations, the following alternatives or additions could be considered:

1. Do nothing, though some bylaw redundancies would continue to exist by operation of the Legislation.
2. That the Bylaw be amended in accordance with specific direction provided by City Council.
