ALIGNMENT TO COUNCIL DIRECTION OR MANDATORY STATUTORY PROVISION

The Council direction that has resulted in this matter being brought forward is Council Policy C-CS-22 - Outside Agency Operating Grant Program.

BACKGROUND AND DISCUSSION

As per the Outside Agency Operating Grant Program Policy C-CS-22, the City may offer financial assistance in the form of an operating grant for eligible St. Albert not-for-profit community groups to assist with facility operating costs and/or staffing.

Applications are reviewed by the CSAC and recommended to Council for approval. On September 24, 2019, the CSAC reviewed the submissions for 2020 operating grant funding and have provided recommendations for Council consideration. Total budget available for this grant program in 2020 is \$594,738 which follows the funding formula of \$9 per capita, identified in Policy C-CS-22.

Eleven applications were received for review with CSAC providing recommendations which support funding for staffing and/or operating expenses as outlined in Policy C-CS-02. Not all organizations received the funding amount which they were eligible for as the requests for funding exceeded the overall budget for this program. A historical view of funding providing through the Outside Agency program is attached. Details for funding are as follows:

All community groups applying for this grant were provided a time slot at the September CSAC meeting to respond to questions from the Committee.

IMPLICATIONS OF RECOMMENDATION(S)

Financial:

Total funding currently included in the proposed 2020 municipal operating budget for the Outside Agency Program is \$594,738. The allocations being recommended by CSAC for funding total \$594,738.

Legal / Risk:

Grant recipients are required to utilize funds as specifically authorized and to report to the City in a specified manner on the use of those funds. Recipients are advised that failure to comply with these requirements may result in a demand to repay the funding or a refusal to provide grant funding upon future application.

Program or Service:

None at this time.

Organizational:

None at this time.

ALTERNATIVES AND IMPLICATIONS CONSIDERED

If Council does not wish to support the recommendation, the following alternatives could be considered:

1. That the funding requests, as identified, be adjusted as per the direction of Council. In the event that adjustments create an overall increase in the total allocations, an increase to the proposed 2020 Outside Agency Grant Program budget would be required to balance the new approved grant amount.
2. That the Outside Agencies' funding requests for 2020 be denied. This would result in a decrease in the 2020 City budget for Outside Agencies but could cause significant hardship to the Outside Agencies which currently rely heavily on this grant program to maintain operations.
3. That the Outside Agencies' funding requests be approved at 50% of the CSAC recommendation, with the final allocation amounts determined in Q2 2020. This would allow the organizations to receive some funding but would leave uncertainty around their anticipated revenues when planning for the year. Funding allocations would then be as follows:

St. Albert Bereavement Fellowship:	\$4,000
St. Albert Housing Association:	\$22,325
St. Albert Seniors Association:	\$119,809
St. Albert Victim Services:	\$33,201
St. Albert Commun. Village & Food Bank:	\$45,354
Stop Abuse in Families:	\$18,000
St. Albert Family Resource Centre:	\$23,893
Visual Arts Studio Association:	\$14,244
St. Albert & District Further Education:	\$11,737
Michif Cultural Connections:	\$4,808 ***
