### RECOMMENDATION(S)

That a deadline extension for the following item be approved: **Time Extension Request - Energy Corporation Feasibility Report** agenda item be extended to July 5, 2021

### REASON FOR TIME EXTENSION

In order to manage competing priorities with re-opening and priority Council projects Administration requests an extension until July 5, 2021. This will provide both Administration and the Consultant a better timeline to compile and complete the necessary work flow attributed to the Energy Corporation Feasibility Report.
