ALIGNMENT TO COUNCIL'S STRATEGIC PLAN

N/A

COUNCIL DIRECTION

On April 3, 2018, Council passed the following motion:

(AR-17-124)

That City Council Policy C-CG-09 - Council Committees, Task Forces and Steering Committees be amended by substituting the proposed City Council Policy C-CG-09 - Council Committees, provided as an attachment to the April 3, 2018 agenda report entitled "Amendments to Council Policy C-CG-09 - Council Committees, Task Forces and Steering Committees".

BACKGROUND AND DISCUSSION

Administration reviewed the current Council Committees to determine if the nomenclature used to identify them aligns with the classification of Council Committees outlined in City Council Policy C-CG

-09 - Council Committees and to determine if the Council Committees are utilizing the governance document specified under their respective classification.

Based on this review, changes are required to certain Council Committees. The changes are as follows:

Community Services Advisory Board

The Community Services Advisory Board does not classify as a “Board” under City Council Policy C-CG-09 - Council Committees. As per the policy “Boards” are a governing or quasi-judicial body. The Community Services Advisory Board is a standing committee with an advisory role to Council and therefore it would be classified as an “Advisory Committee”. If Council passes Bylaw 22/2018 - Amendments to Community Services Advisory Board Bylaw, then Bylaw 10/97 - Community Services Advisory Board will be amended so that this Council Committee is now titled the “Community Services Advisory Committee”.

Internal Auditor and Internal Audit Committee

The Internal Auditor and Internal Audit Committee is a standing committee that provides oversight and/or guidance and therefore it would classify as a “Steering Committee”. If Council passes Bylaw 23/2018 - Amendments to Internal Auditor and Internal Audit Committee Bylaw, then Bylaw 25/2016 - Internal Auditor and the Internal Audit Committee will be amended so that this Council Committee is now titled the “Internal Auditor and the Internal Audit Steering Committee”.

St. Albert Youth Council

The St. Albert Youth Council is standing committee with an advisory role to Council and therefore it would be classified as an “Advisory Committee”. If Council passes Bylaw 24/2018 - Amendments to St. Albert Youth Council Bylaw, then Bylaw 26/2016 - St. Albert Youth Council will be amended so that this Council Committee is now titled the “Youth Advisory Committee”.

Council Remuneration Review Committee Bylaw

The Council Remuneration Review Committee is an Ad Hoc Advisory Committee and therefore it would be classified as a “Task Force”. The governance document for an Ad Hoc Committee is a Terms of Reference rather than a bylaw. If Council passes Bylaw 25/2018 - Repeal of Council Remuneration Review Committee Bylaw, then Bylaw 22/2011 - Council Remuneration Review Committee will be repealed. When the Council Remuneration Review Committee is formed in 2019, a Terms of Reference will be drafted.

Erin Ridge Traffic Calming Neighbourhood Consultation Committee

The Erin Ridge Traffic Calming Neighbourhood Consultation Committee is an Ad Hoc Advisory Committee and therefore it would be classified as a “Task Force”. Therefore, this Council Committee is now titled the “Erin Ridge Traffic Calming Neighbourhood Consultation Task Force”. The Terms of Reference has been updated accordingly.

STAKEHOLDER COMMUNICATIONS OR ENGAGEMENT

Administration contacted the Administrative liaisons to the Council Committees to inform them of the implications of City Council Policy C-CG-09 - Council Committees. If the bylaws are passed Administration will advise the Council Committees affected of the changes and the Council Committees webpage on the City's website will be updated to also reflect the changes.

IMPLICATIONS OF RECOMMENDATION(S)

Financial:

None

Legal / Risk:

If the changes are not made, the affected Council Committees will not align with City Council Policy C-CG-09 - Council Committees

Program or Service:

None

Organizational:

None

ALTERNATIVES AND IMPLICATIONS CONSIDERED

1. Council could choose to further amend Bylaw 22/2018 - Amendments to Community Services Advisory Board, Bylaw 23/2018 - Amendments to Internal Auditor and Internal Audit Committee, Bylaw 24/2018 - Amendments to St. Albert Youth Council and Erin Ridge Traffic Calming Neighbourhood Consultation Committee Terms of Reference.
2. Council could choose not to amend Bylaw 10/97 Community Services Advisory Board, Bylaw 25/2016 Internal Auditor and the Internal Audit Committee, Bylaw 26/2016 St. Albert Youth Council, Erin Ridge Traffic Calming Neighbourhood Consultation Committee Terms of Reference and not repeal Bylaw 22/2011 Council Remuneration Review Committee. However, if the bylaws and Terms of Reference are not amended/repealed, they will not align with City Council Policy C-CG-09 - Council Committees.
