CLSC Recommendation Arising From Request by Youth Advisory Committee

Presented by: Councillor Joly

REQUESTED MOTION FROM YOUTH ADVISORY COMMITTEE

The following motion requested by the Youth Advisory Committee **was not made** at the April 12, 2021 meeting of the Community Living Standing Committee:

That the Youth Advisory Committee Bylaw 26/2016 be amended to include a minimum of one annual meeting between the Youth Advisory Committee and the Seniors Advisory Committee.

The Standing Committee did however request that this transmittal report include an alternative motion for Council to consider, involving an amendment to the Council Committees Policy, as described under the "Alternative Motion" heading below. Please note that the alternative would enable, but not require, joint meetings of any two or more Advisory Committees which is a less prescriptive approach than requested by the Youth Advisory Committee but still ensures that there is no question of the legitimacy of joint meetings.

PURPOSE OF REPORT

The purpose of this report is to bring to Council a motion that was requested by the Youth Advisory Committee but not made at the April 12, 2021 meeting of the Community Living Standing Committee, together with an alternative motion that Council may wish to consider to deal with the larger issue of the ability of all Advisory Committees to conduct joint meetings.

ALTERNATIVE MOTION

That Policy Council Policy C-CG-09 be amended by adding the language shown on the marked up version of the Policy attached to the Report dated April 19, 2021 entitled "CLSC Recommendation Arising from Request by Youth Advisory Committee".
