Time Extension Request - Bylaw re Opt-Out Flyers

Presented by: Mike Erickson, Acting Director, Economic Development

RECOMMENDATION(S)

That a deadline extension for the following item be approved:

Time Extension Request - Bylaw re Opt-Out Flyers be extended to Q1 2022.

REASON FOR TIME EXTENSION REQUEST

Administration is requesting an extension due to impacts related to COVID-19. At this time all departmental resources are focused on economic recovery and business supports related to negative impacts to St. Albert's business community. Additionally, through various touch points and surveys with the business community, Economic Development has identified local businesses who will be additionally, and potentially negatively, impacted by this amendment. Administration is proposing delaying this amendment to allow departmental resources to be focused primarily on recovery supports and allow potentially impacted business to stabilize due to this unprecedented economic impact before such work is moved forward.
