BACKGROUND AND DISCUSSION

On May 1, 2017, Administration presented and Council provided first reading on a proposed Policing Committee Bylaw that would formally establish a Policing Committee pursuant to the Alberta Police Act.

On May 15, 2017, Council debated and defeated a Council motion related to conducting public consultation related to this Bylaw.

Five notices of motion have been made by individual Councillors and Administration has provided background information on those motions in a separate document.

After the May 1, 2017 presentation, some typos were noticed in the proposed Bylaw that was given first reading. Administration has corrected those typos and provided a recommended motion to accept the changes. The new amended Bylaw with the corrections is shown on an attachment to this report. The specific changes can be viewed in a redline version provided as an attachment to this report. The originally proposed bylaw with typos is shown in attachment provided with this report.
