St. Albert Entrepreneurial Ecosystem Strategy
Presented by: Curtis Bauer, Business Attraction Manager

RECOMMENDATION(S)

That the “St. Albert Incubation Strategy” referred to in AR-17-214 be henceforth termed “St. Albert Entrepreneurial Ecosystem Strategy”.

That the “St. Albert Entrepreneurial Ecosystem Strategy” provided as an attachment to the June 26, 2017 agenda report be approved.

PURPOSE OF REPORT

To provide Council with the updated version of the “St. Albert Entrepreneurial Ecosystem Strategy” after consideration of Council comments.

COUNCIL DIRECTION

On May 23rd, 2017 Council passed the following motions:
(AR-17-214)

1. That the “Economic Gardening Framework” provided as an attachment to the May 23, 2017 agenda report entitled “St. Albert Incubation Strategy”, be received as information.
2. That Council provide feedback to Administration on the “Economic Gardening Framework”, provided as an attachment to the May 23, 2017 Agenda Report titled “St. Albert Incubation Strategy” by June 2, 2017.
3. That Administration incorporate feedback received from Council into the “Economic Gardening Framework” and bring back for Council consideration by a date to be determined by the Agenda Committee.

BACKGROUND AND DISCUSSION

As presented at the May 23rd, 2017 Council meeting, Administration developed an “Economic Gardening Framework” focused on building a business-friendly ecosystem that promotes entrepreneurial activity within the community. As with other City frameworks, the goal is to use this Economic Gardening Framework as a basis for an implementation plan.

STAKEHOLDER COMMUNICATIONS OR ENGAGEMENT

On May 23rd, 2017, Council was asked to review the Economic Gardening Framework and provide comments or recommendations back to Administration by June 2, 2017. The following summarizes the comments received and resultant modifications made:

Council Comments and Resultant Modifications

1. Use descriptive terminology in closer alignment with intent in the title.
The terminology “Economic Gardening” was viewed as not descriptive enough as to its intent.
2. Clarity is required regarding the terms “Framework” and “Strategy”.
There was confusion regarding the use of the terms “Framework” on the attachment and “Strategy” on the agenda report AR-17-214.

3. Support the inclusion of cooperatives as a potential entrepreneurial structure for home based businesses. St. Albert resident (Ufuoma Odebala-Fregene), and the Equality & Good Relations Journal requested that Council support and direct Administration to support the establishment of non-standard business options.

4. Miscellaneous.
Grammar and spelling corrections were identified.

As a result of comment 1, the terminology "Economic Gardening" was changed to "St. Albert Entrepreneurial Ecosystem."

As a result of comment 2, the attached document will now be referred to as the St. Albert Entrepreneurial Ecosystem Strategy," composed of a Part 1 Framework and a Part 2 Implementation Plan.

As a result of comment 3, Administration met with Ms. Odebala-Fregene and discussed how the Framework (Part 1), could be interpreted to include consideration of non-standard business structures in development of the Implementation Plan (Part 2).

As a result of comment 4, Administration made changes to the spelling and grammar as identified.

IMPLICATIONS OF RECOMMENDATION(S)

Financial:

Any financial implications related to the "St. Albert Entrepreneurial Ecosystem Strategy" will be presented to Council through the traditional budget process.

Legal / Risk:
